Recently RMF Nooter received noticed that it had placed 2nd Overall among the Top 50 NMA Signatory Contractors (in the Country!) of the National Maintenance Agreement under The Association of Union Contractors (TAUC). Congratulations are due to the Owners that contracted with us on these projects and the men and women of RMF Nooter, Inc. that made this happen.

And to add Icing to this delicious Cake of an Award, it is very satisfying to report that our parent company, Nooter Construction Company of St. Louis, MO placed 6th Overall and sister subsidiary company, AMEX Nooter, LLC of Tinley Park, Ill placed 23rd Overall.
